## Quick Reference of Often-Used PDA & ECO Codes

Last Updated: November 13, 2020

---

For **Presbyterian Disaster Assistance contributions**, you MUST indicate the response name. (Ex: "Ukraine earthquake") and/or disaster response reference number (if known).

For **Extra Commitment Opportunities (ECO)** (including mission co-workers, special mission projects, hunger ministries, etc.) you MUST indicate the name and code number of the mission co-worker or particular project to make sure your contribution is received as intended. Please use the "Exxxxxx" code, rather than the "Dxxxxxx" code.

This reference chart provides a quick resource for often-used codes for our presbytery. For other codes, see the PC(USA) web site:

Presbyterian Disaster Assistance: <https://pda.pcusa.org/>

Mission Co-Workers: <https://www.presbyterianmission.org/coworkers/>

Or check with PTCA Office Manager Jennifer Schultz or PTCA Treasurer Steve Robertson. They have access to a spreadsheet with thousands of codes (really, there are thousands)!!
